

# Protecting the Things that are Important... Wirelessly

## Tri-Zone Door Window Sensor

Part Number: **DW-REC3**

- 3 Serial Codes (for multi zone application)
- Built in Tilt Switch
- Fully Supervised
- Lithium Battery
- Rare Earth Magnet

## 4-Button Remote

Part Number: **REM-REC3**

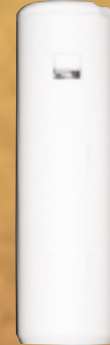

- Programmable Button Delays
- Water Proof Case
- Lithium Battery

## Mini Door Window Sensor

Part Number: **DWM-REC3**

- Compact Size - 1"(w) x 1-1/2"(h) x 1/2"(d)
- Fully Supervised
- Lithium Battery
- Rare Earth Magnet

## Recessed Door Window Sensor

Part Number: **DWR-REC3**

- Changeable Battery
- Fully Supervised
- Compact Size (2-1/2 in. long)
- Rare Earth Magnet
- White and Brown Caps

## 128 Zone Wireless Receiver

Part Number: **EV-REC3-ADM**

Works with: **Ademco** Vista Panels (except 128)  
**Napco** Panels (except 800 and 801)

(The number of usable zones is dependent on the zone capability of the panel that is connected to the unit.)

## Pet Immune Wireless PIR

Part Number: **PIR-REC3**

- 45 lb. Pet Immune
- 50 x 50 Range
- 90 Degree Look Down
- Dual Element Pyro

## Tri-Color LED

Part Number: **LED-REC3**

### GREEN LIGHT:

**Solid** - Ready to Arm

**Flash** - Not Ready to Arm

### RED LIGHT:

**Solid** - Armed Stay

**Flash** - Armed Away

### YELLOW LIGHT:

**Flash** - Alarm has been Tripped,  
ENTER WITH CAUTION

## Slim Line Door Window Sensor

Part Number: **DWS-REC3**

- For Narrow Applications (3/4 inches wide)
- Fully Supervised
- Lithium Battery
- Rare Earth Magnet
- Thumb Release Ease of Access

# REC3 Ademco and Napco Wireless Compatible Peripherals
